Next intersection about 3/10 of mile after Pilot Hill Restaurant, DO NOT GO STRAIGHT ONTO TREADWAY ROAD, STAY ON CORBY BRIDGE ROAD AS IT CURVES TO THE RIGHT and HEADS NORTH...

Next intersection, DO NOT GO STRAIGHT ONTO MCGILL ROAD, STAY ON CORBY BRIDGE ROAD AS IT CURVES OFF TO THE LEFT...

Stay on Corby Ridge Road, it will pass over a bridge across the Nolichucky River, and eventually come to a "T" and a sharp BLIND CURVE!

Turn Left onto Keebler Road, after a bit Keebler Road will make a sharp Left and turn into Smith Bridge Road, YOU WILL NEED TO MAKE THE FIRST RIGHT TURN HERE TO STAY ON KEEBLER ROAD

After a bit you will come to a Y style intersection, Stay to the Left to continue onto Davy Crockett Park Road.

Continue on Davy Crockett Park Road to cross over a small bridge over Limestone Creek

Stay on Davy Crockett Park Road, which will eventually have you turn left at the entrance to the park just before the Campground.

It is about 5 miles to the park and another 5 miles back to the Philadelphia Church Parking Lot where you started. This out and back is a bit more traveled by traffic.
