

The Greenville Tennessee Hiking & Cycling Club was created to promote outdoor recreational, conservation activities, and social fellowship in the regional areas of Eastern TN, Western NC, and SW Virginia. The Club engages in hiking and bicycling, but includes community and conservation activities, trail maintenance, camping, backpacking, canoeing, and kayaking. The Greenville Hiking Club members are outdoor enthusiasts who love and enjoy the beauty of the area and our great gift of the EARTH! Everyone is welcome to participate. We are actively seeking younger generations with common interests, who desire companionship, learning, leading, and engaging in the outdoors.

The Jeff Roth Cycling Foundation of Tennessee has provided the funding for the Safe Cycling Fair which has allowed The Greenville Hiking and Cycling Club to present our Fair free to the public. We are sponsoring the Safe Cycling Fair to encourage community engagement, to have fun, and to learn about safe cycling and the health benefits of regular cycling. We are partnering with The Greenville Parks and Recreation Department and our locally owned bike shop, Wheel Sports.
